you used to say live and let

when you were young and your heart — was an o-pen — book you used to say live and let

live — you know you did you know you did you know you did — but in this e-ver chan - ging

live — you know you did you know you did you know you did — but in this e-ver chan —

wold in wich we live in makes you give it and cry — says live and let die

live and let die —

live and let die — live and let die —

live and let die —

Fine
